

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: Silvia Berlanga de Moraes Barros
Christina Distich Ropke

Serial No.: 10/528,500

Filing Date: March 18, 2005

Title: Gel Composition Comprising 4-Nerolidylcatechol and Uses Thereof

Examiner: Tate, Christopher R.

Art Unit: 1655

INTERVIEW SUMMARY

An interview was conducted between Examiner Christopher Robin Tate and Attorney for Applicants, Amanda Jenkins. The telephone interview occurred on April 14, 2009. No exhibits or demonstrations were conducted. The interview generally discussed all pending claims and the prior art cited in the January 9, 2009 Office Action. The 35 U.S.C. §§ 112, first paragraph and 103 rejections were discussed in general. Examiner maintained the rejections made in the January 2009 Office Action for the reasons stated therein. Applicants disagreed with Examiner for the reasons stated in the March 23, 2009 Reply to Office Action. No agreement was reached by Examiner and Applicants to overcome the rejections.

Applicants appreciate the opportunity to conduct an interview and thank Examiner for his time.

Dated: May 13, 2009

Respectfully submitted,

By: _____
